THE CULTURE POINT

Zumo de naranja squeezed in front of you

COPYBOOK MOMENT · 3 MIN

Write the eight drinks with their articles, then circle the two you would order.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (el, la). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. 2 of this lesson's words carry one (el café, el té). A missing accent is a missing letter.
