COPYBOOK MOMENT · 3 MIN

Write four sea creatures with their articles, ordered from smallest to biggest.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (el, la). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. 2 of this lesson's words carry one (el tiburón, el delfín). A missing accent is a missing letter.
