THE CULTURE POINT

Interior patios keep the house cool without electricity

COPYBOOK MOMENT · 3 MIN

Write the rooms in your own house, each with its article, in the order you would walk through them.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (el, la). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. 2 of this lesson's words carry one (el salón, el jardín). A missing accent is a missing letter.
