THE CULTURE POINT

White asparagus in spring is a national event

COPYBOOK MOMENT · 3 MIN

Write four vegetables you have eaten this week, with their articles.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (der, die). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
