THE CULTURE POINT

Squared paper is standard in school copies, not lined

COPYBOOK MOMENT · 3 MIN

Write the question that asks to borrow something, and one polite answer that says no.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (la, le). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. One of this lesson's words carries an accent (la règle). A missing accent is a missing letter.
