COPYBOOK MOMENT · 3 MIN

Write four animals with their articles, grouped into columns by gender — one column for each gender this language has.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (l', la, le). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
