THE CULTURE POINT

Doctors still make house calls

COPYBOOK MOMENT · 3 MIN

Write two body parts with their articles, then one sentence naming the part you would point to if it hurt.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (la, le, les). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Match and Crossword print the word on its own, so no article is expected there.
- Accents. One of this lesson's words carries an accent (la tête). A missing accent is a missing letter.
