THE CULTURE POINT

Telling someone about yourself starts with where you are from

COPYBOOK MOMENT · 3 MIN

Write one sentence about a food you like and one about a food you do not, each with a reason. Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (la, le, les). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. 2 of this lesson's words carry one (le gâteau, les pâtes). A missing accent is a missing letter.
