Fruit is sold by the kilo and the seller picks it

COPYBOOK MOMENT · 3 MIN

Write the sentence you would say to buy two of something, then the same for a kilo.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (l', la, le). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
