COPYBOOK MOMENT · 3 MIN

Write today's forecast in one full sentence, including a temperature.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (der, die). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Word search and Unscramble print the word on its own, so no article is expected there.
