THE CULTURE POINT

Renting for life is common and unremarkable

COPYBOOK MOMENT · 3 MIN

Write three sentences, each naming a room and one thing you do there.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (das, der, die). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Match and Crossword print the word on its own, so no article is expected there.
- Accents. One of this lesson's words carries an accent (die Küche). A missing accent is a missing letter.
