THE CULTURE POINT

Building sets and model railways are a serious hobby

COPYBOOK MOMENT · 3 MIN

Write one sentence describing a toy using its colour and its size.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (das, der, die). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. One of this lesson's words carries an accent (der Teddybär). A missing accent is a missing letter.
