THE CULTURE POINT

The seller picks it and will tell you what is best today

COPYBOOK MOMENT · 3 MIN

Write the sentence you would say to buy two of something, then the same for a kilo.

Read as written. Pause the board; every pupil writes. Not collected, not marked.

WATCH FOR

- Pupils dropping the little word in front (el, la, las). It is part of the word, not an extra — mark it as a spelling wherever the page shows it. Crossword prints the word on its own, so no article is expected there.
- Accents. 3 of this lesson's words carry one (el plátano, el limón, el melocotón). A missing accent is a missing letter.
